WOMAN.
Dysmenstrual practice, extending through a period of years, leaving within that time almost all the vital forces of the system exhausted. I have been enabled to perform most important and successful operations in the treatment of this class of diseases with positive certainty and have named it
Dr. Pierce's Favorite Prescription.

Thermost, however, is not a sufficient expression of my natural appreciation of the value of my medicine, and I have named it "Dr. Pierce's Favorite Prescription." It is a most powerful and reliable remedy, and one that every household should possess. It is now published in a new and improved edition, and is being distributed free of charge to all who will send for it. Write to **DR. PIERCE**, 100 N. 3rd St., St. Louis, Mo.
